## Bethania's Mission Statement

We are a community of Christ-centered, welcoming, inclusive and multi-generational people rooted in God's faith, hope and love, called to advocate for justice, give to those in need, and share God's affirming love with the world.

### Reflections from Pastor Chris

As I sit and write this Beacon article, it's May 24<sup>th</sup>—typically a week or so before it comes out. I knew I needed to finish this article by today so Kristyl could get the Beacon organized and sent out on time. I was prepared to sit down and write something about which I can't even remember, because an hour before typing this I read the news that a gunman walked into an elementary school in Texas and killed 14 little kids and a teacher, and wounded more than a dozen others. I don't want to write this, but I literally can't think of anything else right now. I can't help but think of Vesper, who is starting elementary school this August and the absolute despair I would feel if this happened to her.

I think to myself: I'm a pastor and I need to write something of hope in this moment, and maybe that hope will come in a few days, but I don't feel it right now. I don't feel it because I think I wrote something hopeful or preached something hopeful or said something hopeful at a rally the last time this happened. And here we are.

As the days from this event proceed, we'll learn more about the gunman, his motives, how he got the guns, the oversights and signs that were ignored, etc. People will lobby their opinions, they'll take their ideological sides in the matter, and in a few weeks, we'll move on to the next hot crisis story. Until this happens again. And I just feel crippled. I feel crippled because there are people passionately fighting to try and change a system that allows this to continually happen, and there are people passionately fighting to keep this system in place. I feel crippled because when I think of the everyday people like you and me, the masses, we've been pitted against each other by ideological entities that feel it's better for our society to be divided than it is to come together, that fear is a better motivational tool than hope or love, and we fall for it.

J. Krishnamurti once said, "It is no measure of health to be well-adjusted to a profoundly sick society." We are sick because we're the only developed nation that has this problem, and we've become well-adjusted because we won't even be talking about this in a few weeks. How did we get here? Do you ever wonder?

I wish I had something better to say right now, and I probably will in a few days, and as your pastor I probably should. But sometimes we need to give voice to that raw, helpless feeling, because maybe a lot of us are feeling the same way and no one is saying it out loud. And maybe that's the first point of unity in such a divisive world. Maybe it's one person saying they feel helpless, and tired, and despairing, and then someone else saying, "me too," and someone else saying, "me three". Jesus said, "Where two

or three are gathered, I am there among them.” Maybe two or three people from the opposite sides of the spectrum will sit down with each other in that unifying space of feeling helpless, not wanting a world like this anymore, realizing that they’re sitting together, and maybe that’s something?

What I’m finding a modicum of solace in right now is this: Jesus, a Palestinian peasant, a nobody, had a vision for a better world, and he didn’t share that vision with the powerful, but with the powerless—the everyday people, like you and me. And enough of them bought into that vision that they set out, and for a while, they made that vision a reality. It’s not ludicrous to think we can do the same, is it?

**Yours in Christ,  
Pastor Chris**

## **Resignation of Jessica Yacoub**

I’m sad to share that Jessica has resigned as Director of Youth and Family Programs. Jessica has incredible expertise and gifts for this position. She’s a recent graduate from a Master’s Program in Education with an emphasis in Leadership and Change, as well as a degree in Early Childhood Development and Social Service Administration. Ultimately, she decided she would like to pursue something that could use these gifts in a more comprehensive way. While I’m sad she’s resigned, it was a respectful departure. She’s a member of our larger community and it will always be a joy to see her. Please keep her in your prayers as she seeks what’s next. Our Youth Program will continue undisturbed. We’ll be looking forward to some summer activities and getting started again in August. If you have any questions, please direct them to me.

**Thank You,  
Pastor Chris**

## **Legacy Presentation Moving to New Date**

Last month I dedicated my Beacon article to our Legacy Presentation by Lisa Higginbotham. I am really excited to have her come help us think about Bethania’s future in exciting ways, and I want to emphasize again, how important it is to come to this presentation. With COVID cases rising in our area, I have moved the presentation to **July 31<sup>st</sup>**, during coffee hour. I know we’re all being cautious right now and I’d rather have this presentation once this COVID wave dissipates. Please keep an eye out for information about the presentation in the coming weeks.

## **About Lisa Higginbotham!**

Lisa Higginbotham is a Certified Fund-Raising Executive and has successfully worked in the financial services industry for 25 years. Previous to serving in ministry, Lisa successfully ran her own professional practice as a financial advisor, specializing in retirement and legacy planning. In her current role, Lisa works directly with congregations, ELCA organizations, synods, and partnerships. Hoping to bring her experience and advocacy to each, she helps create gift and endowment policy, works directly with donors to help them express generosity, and transitions merging or closing congregations to fulfill their legacies by combining assets or disposition. # Bethania Preschool and After School

## Touch A Truck 2022 – Was a huge Success!

Thank you to all of Bethania members and friends who supported this event for the Preschool and After School Program. The day was warm and we had over 850 attendees! A record number! Folks had great fun exploring the vehicles

on display, getting faces painted, dancing through the bubble

machine, riding on the mini fire truck and other activities. The school earned more money this year than in the past. Thank you again for the support of this ministry.

## Faith in Action

### Announcing Bethania's new Theo Cart!

At the coffee hour for 9:30 folks and in the narthex for 11:00 attendees will be the new Theo Cart. The collection of 30 books (and growing) includes such authors as Rob Bell, John Crossan, Bob Goff and Johann Hari. Books can be checked out for up to three weeks with a grace period after that. Whether you're looking for something lighthearted or serious, global or personal, these books by modern Christian authors are full of ideas to think about! **Read. Think. Grow.**

## Blessing Box

Thanks to Thrivent, I was able to organize a food drive to support our Blessing Box. Participants signed up to organize a food drive in their community and a limited number received a kit of Thrivent t-shirts and shopping bags to help with the food drive. Thrivent also made \$5 contributions to Feeding America for the participants who signed-up in their time-limited window.

We received over 14 bags of food, toilet paper, shampoo, soap, etc. and food is still coming in. Thanks to Melissa Eck, Sandra Tomasini and Stewart and Lynne Fries who cleaned out their pantry at home and donated several containers of food for the Blessing Box. Thanks to the community members at large (unknown) who dropped off donations in the narthex.

Our shelves are full as well as our hearts!

## Bethania's Tuesday Food Distribution

Tuesday Food Distribution continues each week. Please consider volunteering to help pack bags, produce, or work the evening distribution. **Shifts are at 9:30, 1:30 and 4:45.** This effort takes a lot of volunteers and can be so rewarding when you hear how we are making a difference. Below is one letter from a client, who shares why he started coming, and why he still needs help.

My name is Thomas and my family was in a very challenging financial situation when the Pandemic first hit. My wife was furloughed from her job and we fell behind on our bills as well as experiencing not having food to have well-balanced meals. I work in Buellton and was told about the Bethania Food distribution program and I believe I went as a client the second week after it started. I remember how well it was run and how nice the volunteers were. I'm a Christian, I felt so blessed and I started to believe that my prayers were being answered. I got off work early the following Tuesday and I was heading back to the Bethania Food Distribution Program and got there a little early. I asked Donna and Linda if the volunteers needed a little help and they both answered, " Yes, if you would like to help". Helping the other volunteers and seeing the look in the clients' eyes was a heartfelt experience. I started showing up to help every Tuesday with bagging vegetables, breaking down boxes, running empty pallets to the side of the church and loading boxes into the client's vehicles. It was an awesome experience working with the volunteers because everyone came together as a team and had the willingness to help wherever help was needed. I'm a disabled Vet also and this Bethania Food Distribution Program reminds me of my experience serving this country with dedicated servicemen and women.

In my personal opinion, this program still has as big of an impact it had two years ago. The program is very important to the community and I recognized the need for the program to continue bless so many needy families. My family hasn't quite recovered from the pandemic crisis and we definitely benefit from the blessings we are still receiving every Tuesday. I appreciate the Bethania Food Distribution Program, the participants, volunteers and so many others. People in the community also recognize the need to help other's by donating food, clothing and household items. This program is a role model for what's needed throughout the world, " LOVE & UNITY".

**Sincerely,  
Thomas R.

Our next “Noisy Sunday” is coming on June 26. This Noisy Offering will be used towards purchasing items for the Day of Service (Health and School Kits) which will be in September. Donations of coins, cash or check are welcome.

***Why are you asking now for September?*** We need to be able to start purchasing school items when they go on sale in July. And although September seems far away, with the amount of items we need to collect, time goes quickly!

## Your Donations at work: Iglesia Luterana Santa Cruz

With the rise in food insecurity here in our beautiful valley, the problem is also constant for our friends at Iglesia Luterana Santa Cruz. Their members are the people who actually pick produce for us all to eat, and so it seems inconceivable that they are not able to afford food for themselves.

We are helping them with feeding families, including many households headed by only one parent. Many families have been abandoned by one of the spouses because of stress, alcoholism, illness and despair, and left to fend on their own. This is especially the case for a lot of women with small children.

If you can help by donating some of the items below, please leave items in the box in the sanctuary, take to the church office, or contact me for drop off. Your donations are making a difference in a life and in families of hard-working people. If you would like to make a financial donation, please be sure to earmark it for "Iglesia" when donating.

### ***Most Needed:***

Dry Beans – Rice – Maseca (corn flour) – All Purpose Flour – Small Pasta – Sugar – Salt – Coffee – Snacks (such as Cookies) – Bottled Juice – Feminine Products – Shampoo – Laundry Detergent – Dish Soap – Bleach and Cleaning Products – Baby Diapers (All sizes especially 5&6) – Formula (Enfamil Yellow)

Thank you for your continued support and prayers for our friends at Iglesia.

– Linda Marzullo
